

Do you shoot film?

No, MDL Photography specializes in digital photography only.

Do I get all of the negatives?

Of course you do! I have no reason to hold images back from you! All digital negatives are full resolution files burnt to CD for you to keep.

Will you mark the negatives?

No.

Can I get colour, B & W and Sepia photographs?

Yes. Since MDL Photography specializes in digital photography any image can be altered.

What if I lose my CD?

I keep a copy of all CD's. If you lose one, notify me and I will provide your CD free of charge.

Will the same photographer I meet with at my consultation photograph my wedding?

Yes.

Do I need special photography permits for my locations?

This is up to you to look into. Most places do not require it, but it is always good to double check. The cost for permits is your responsibility.

What if I want you there for extra hours?

Each extra hour is \$200.00.

Why do you have a FAQ page?

I know that planning a wedding takes a lot of time and effort. This page is here for you, so you can get some immediate answers to questions that you might have!
